

3 Travel with care

AUSTRALIAN humanitarian Maree Ford will escort several new tours of Cambodia with Travel With a Difference this year.

The former nurse worked at Angkor Hospital for Children for five years and will lead four Inside Siem Reap tours from May to August.

Each trip is priced from \$2271 a person, including five nights' accommodation, a tour of Angkor Wat and a traditional Khmer massage.

Travel With a Difference will donate \$50 from every reservation to the hospital.
