

# OUTERKNOWN ADVENTURES on the GREAT BARRIER REEF

Join the renowned Australian team of Expedition Leaders and regular guest lecturers who have a wealth of knowledge of the unique landscapes, flora and fauna and Indigenous cultures of the Great Barrier Reef region. Passionate explorers, marine biologists, and naturalists, they provide on board lectures and interpretation and are always keen to chat with you and share their expertise. Ensuring your experience is as rich, enlightening and enjoyable as possible by bringing you a new understanding and appreciation of the places you will discover on your expedition.

Escape to discover Australia's remote natural wonders. Meet charismatic marine species including the sea turtles surfing the ocean currents, find clownfish nestled amongst the coral gardens and marvel at the magnificent humpback whale migration in the deep blue of the Coral Sea. Share the journey with soaring seabirds and swim, dive and snorkel at far-flung Osprey, Escape and Ribbon Reefs. Learn about ancient Indigenous culture and Australian heritage at historic Cooktown. Visit a Turtle Rehabilitation Centre at Fitzroy Island and stretch your legs with a hike to the summit of Cook's Look on Lizard Island.
