

# EXPLORE THE OUTER GREAT BARRIER REEF

Stretching more than 2300 kilometres along Queensland's coastline and encompassing over 900 islands, the Great Barrier Reef is the world's largest living structure and home to an abundant and thriving array of marine and birdlife species. It holds pride of place as one of the 7 natural wonders of the world and is listed as a UNESCO World Heritage area. This extended expedition cruise has been pioneered over 35 years and has forged a reputation for excellence and expertise of the time.

Aboard the expedition vessel embark on an immersive 7-day adventure to the remote and untouched Northern reefs. We explore the hidden corners, uninhabited sand cays, small islands and pristine reef systems. Along the way find freedom and solitude amidst this iconic seascape. Share the journey with soaring seabirds and swim, dive and snorkel at far-flung Osprey and Ribbon Reefs. Learn about ancient Indigenous culture and Australian heritage at historic Cooktown. Stretch your legs with a hike to the summit of "Cooks Look". Enjoy a sundowner with the sand beneath your toes and the setting sun at deserted Sudbury Cay. Onboard, you will be accompanied by expert guides including Marine Biologist and the purpose designed small ships are custom built for expedition cruising. With refined steering capabilities, shallow draught and nimble explorer tenders you will be taken closer to remote sites and natural habitats. You will enjoy freshly prepared small-batch cuisine featuring the best local ingredients and relax and enjoy quality local beers and wines. With an intimate atmosphere and renowned warm Australian hospitality, you will quickly feel at home and make new connections with new friends.

Recharge surrounded by tranquillity and warm hospitality aboard these small ship expeditions.
